The HTC Story Continues

“Refining Our Craft . . . Expanding Our Line”

“Warm greetings to you from HTC! We have so much to update you with as we step into a fresh new season, filled with excitement and optimism, continually bringing you the very best in Poly Outdoor Furniture.

We’ve just emerged from a long and trying season, as many of you have as well. So many things took place, many of them were the most challenging we’ve ever faced as a growing company. Along with our team, we’ve worked together steadfastly and teamed up to face each of those challenges, turning them into new opportunities.

We are grateful for so many blessings, among them are all of our workers, our suppliers, and most of all you, our remarkable customers! You have clearly shown your support by your continued, earnest desire to carry our products. You’ve shown grace and patience in bearing with such issues as supply shortages and production delays. Together, we’ve come out on the other side, and are now seeing the fruit of those efforts in the growth of our expanding line of furniture, and the improvement of our customer service.

We are now operating full time in our new 24,000 square foot production and warehousing facility. In addition, we’ve expanded our communications staff to more efficiently field your calls and e-mails, and in so doing, we’ve ultimately streamline our orders.

We’ve enhanced our Daisy line by adding two new styles, the Daisy Square and the Daisy Comfy. In addition, we are also happy to announce the addition of our Craftsman Style chairs, which quickly joined our best-sellers list. And lastly, the popularity of our Brunch/ Buffet Tables inspired us to design our new Square Brunch / Buffet Table and Square Saddle Stools. All of these new products have been warmly embraced by our customers, and we thank you!

We also held our very first Dealer Day event in October, and we were very pleased with the outcome. We look forward to inviting you to our facility again, perhaps this year. We appreciate your continued business and we are committed to working diligently to retain your loyalty.”

Sincerely,

- Jonas & Levi Hostetler

TESTIMONIALS

“WHAT OUR CUSTOMERS ARE SAYING”

“We started our journey with the Hostetler’s in August of 2020 and have been blessed ever since! They have brought us high-quality patio furniture that our customers simply adore!

Their products stand out against other brands on the market in comfort & stability. We had the pleasure of attending HTC’s first Dealer Appreciation Day and meeting the Hostetler Family and Workers behind this amazing company. It’s an understatement when we tell you that they made us feel like part of their family!

We look forward to many years with our new extended family, HTC!”

Cheryl & Patrick Miller
Pat Miller Welding, Inc.
& Specialty Supply
Sunset, LA

“HTC has been a great company to work with! We have been selling their products for 15 years and have customers calling specifically for the HTC brand. Their product completely meets the need of our customers. We also appreciate how they are continually looking for ways to improve their services from communication to new and improved products!”

Louella Leinbach
Poly Outdoor Furniture
Lewisburg, PA

“We can’t say enough positive things about the Hostetler team and their furniture. The durability, comfort, and impeccable quality of their furniture, makes them a perfect fit for our harsh coastal environment that we live in.

The Hostetler family and thier whole team are so kind, and strive to meet all of our needs and fulfill our orders. They are an absolute joy to work with!”

Megan McClure
Warehouse Patio
Gulf Shores, AL

“I am proud to carry the HTC brand of truly amazing furniture. I have been excited to see their line of products expand this year and see my customer’s reactions to these new designs. How wonderful to see them happy and blessed, enjoying the outdoors with family and friends, relaxing and sharing life together.

I believe HTC has the finest products on the market, and I love helping create a custom setting for my clients so they can enjoy their outdoor life to the fullest! Keep up the great work, HTC!”

POLY LUMBER FEATURES

Hostetler Tables & Chairs uses the highest grade of poly lumber. Made of High-Density Polyethylene or HDPE, it has a wide array of benefits, such as :

- Dense, durable material with a smooth feel.
- Resists cracking, splitting, mold & mildew. It will not rot, corrode, splinter or decay.
- Very low maintenance. It cleans up easily with non-abrasive soap & water, and can be completely sanitized.
- Doesn't require sealing, staining, or painting.
- Environmentally friendly product that is made primarily from recycled plastic products.
- UV stabilized color agents are added to the material which ensures resistance to fading.
- It's insect and borer resistant, does not absorb chemicals, oils, or water, and will not leach chemicals into the environment.
- Comes in a wide variety of colors, from earthy woodtones to rich, dark hues and vibrant colors, including WoodGrain Poly selections.*
*(See Page 39)

HTC USES ONLY THE BEST POLY LUMBER!

Hostetler Tables & Chairs is very pleased to announce that we have contracted with Tangent Technologies to exclusively supply all of our Poly Lumber needs for this year. The year 2021 was very challenging for us, in locating and procuring the material needed to fulfill our customer's many orders.

Our alliance with Tangent and their support of our company in this arrangement will ensure that we can continue producing our products without interruption from the supply chain.

We believe that Tangent produces the highest quality materials in the industry, and it is only fitting that we work with the best suppliers so that our end products are of the absolute highest craftsmanship, durability, and quality possible.

In Tangent's own words :

"When it comes to alternative materials, there's no alternative. We're the industry leader and your trusted partner. We are the largest, most advanced manufacturer of fabrication materials in North America, providing the highest quality material.

Driven by material science to continuously innovate what's possible, our rigorous testing guarantees performance. Our products are unmatched in strength and durability. With custom options available in colors, profiles and finishes, the opportunities are endless."

We look forward to a long, and lasting relationship with Tangent, and we are confident that our use of their materials in crafting our growing line of furniture will ensure success for all of us for many years to come!

TANGENT™

THE HOSTETLER DIFFERENCE

QUALITY, DESIGN, & SERVICE

Hostetler Tables & Chairs manufactures a wide variety of attractive, innovative designs that will provide years of comfort and lasting enjoyment.

Our products will prove to be in style for many years to come, and we are always striving to bring you new and improved designs. We are pleased to reveal several new styles in this year's line.

Here are just a few of the many features:

- Unitized construction - (No assembly required)
- Minimal exposed hardware *
- Our furniture withstands the harshest conditions, and can be left outside all year long
- Accessories are available for select pieces
- Environmentally friendly product that is made from recycled plastic products
- Our products are made in a wide variety of solid colors, from earthy woodtones to rich dark hues, vivid and bright colors, and a variety of wood-grain choices too

Daisy Side Dining Chair

Snuggle-Back Single Glider

** You'll see a very minimal amount of exposed hardware in our designs.*

In our Daisy Collections, Snuggle-Back Collection, Comfy-Back Collection, and Craftsman Collection most of the screws & bolts are hidden, which is vastly different from what you will see in most of our competitor's products.

**See Page 9.*

Comfy-Back Swivel Glider

** At HTC, we custom shape the edges on each piece of poly lumber. We custom shape every single slat, from the seat to the back assembly all the way down to the leg assembly. In contrast, our competitors typically construct their furniture using the Raw Poly Lumber as it comes with it's original factory edges.*

We also offer unitized construction on all our designs. All pieces are fully assembled except for the table bases and tops. When drop-shipped, customers can unwrap, set up, and be just minutes away from enjoying!

HOSTETLER'S ADIRONDACK CHAIR

WHICH OF THESE WOULD YOU RATHER OWN? . . . THEIRS OR OURS?

"We've taken some good ideas from our customers such as removing the screws from the top of the arms on our chairs. From there we have made many more improvements and we have succeeded in producing products that are more appealing and better by far. We give credit to our customers!"

- Jonas Hostetler

“STYLE, VARIETY, QUALITY . . .”

HANDCRAFTED EXCELLENCE

“...AND SO MANY POSSIBILITIES”
THAT’S THE HOSTETLER DIFFERENCE

“THE WOODLAND ROCKER”

“ UNIQUELY OURS . . . A MASTERPIECE OF COMFORT AND QUALITY ”

CEDAR ON GREEN WOODLAND ROCKERS WITH OVAL END TABLE

“The Woodland Rocker Story”

Our Woodland Rocker was designed back when we were still working with wood. We made this rocker in hickory, oak, and cherry woods. Our Woodland Rockers have been a customer favorite for over 20 years and they are still our best-selling product.

It’s stability, smooth rocking motion, ergonomically comfortable back design, and aesthetic appeal have ensured that this piece will be around for years to come.

The Woodland Rocker is one of the most evident proofs of our fine craftsmanship and quality, and further defines why we say there truly is the “Hostetler Difference”.

HOSTETLER TABLES & CHAIRS CARE & MAINTENANCE

GENERAL CLEANING

- * Scrub boards with soap and water solution using a soft sponge or plastic bristled brush.
- * You can use a soft bristled toothbrush to clean spaces that are hard to reach.
- * To remove surface dust, hose furniture down with cold, clear water.

DEEP CLEANING

- * A pressure washer can be used on the lightest setting to deep clean your furniture.
- * It is not recommended to use more than 1,500 psi.
- * Keep the tip of the pressure washer at least 10-12 inches from the furniture so it doesn't damage the lumber.

STAIN / RECOMMENDED CLEANING PROCESS

Pencil Marks

- * Use a solution of Dawn® dish soap and water to saturate the stain, then rinse with water.

Ink / Marker

- * Use a solution of Dawn® dish soap and water to saturate the stain, then rinse with water. For tough stains, pretreat area with WD-40, wiping the area clean before using solution of water and Dawn® dish soap.

Grease or Oil Stains

- * Use solution of Dawn® dish soap and water to saturate the stain, then rinse with water. **Embedded**

Dirt

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water.

Wine

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water.

Chewing Gum

- * Coat WD-40® lubricant or equivalent over the area. Gently pry up on any potentially hard particles slowly with a plastic putty knife. Utilize a soft brush and acetone solvent to remove any fine debris and clean out any crevasses. Rinse area with fresh water.

Bird Droppings

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water.

Stains and Scuffs

- * A Magic Eraser™ may be used for stubborn marks.

Iron and Rust

- * For tough stains from contact with iron, boards can be scrubbed with Iron Out™

Always read and follow the product manufacturers' specific instructions before using any cleaning product. If using alternative cleaning solutions than those outlined above, it is recommended to test the solution on an inconspicuous area of the lumber to make sure it does not harm the surface. For more information visit our Poly Lumber source at : TangentMaterials.com

Jonas Hostetler / Levi. Hostetler

WARRANTY

POLYETHYLENE OUTDOOR FURNITURE

TWENTY (20) YEAR LIMITED WARRANTY (RESIDENTIAL) *

TEN (10) YEAR WOODLAND ROCKER LIMITED WARRANTY*

FIVE (5) YEAR LIMITED WARRANTY (COMMERCIAL) *

* *Revised Warranty Terms : 1/1/2022*

Hostetler Tables and Chairs warrants to the original purchaser that its polyethylene outdoor furniture products will be free of original defects in workmanship and materials for a period of twenty (20) years of residential use or five (5) years of commercial use unless otherwise noted in this warranty. Our Woodland Rocker now has a ten (10) year limited warranty. All said warranties are effective starting on the date of purchase.

At it's option, Hostetler Tables and Chairs will repair or replace this product without charge for materials and labor, providing our inspection indicates that an original defect does exist. Should Hostetler Tables and Chairs choose to replace the product, and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made.

Polyethylene is a synthetic product and may scratch or fade slightly when exposed to sunlight, or stain after prolonged contact with other substances. Some expansion and contraction is also to be expected due to extreme changes in humidity and temperature. The aforementioned shall not be considered defects in materials or workmanship and are not covered under this warranty.

Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, abuse or misuse, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended.

This warranty also does not cover scratching or chipping of the polyethylene, however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you.

Swivels are warranted not to fail structurally for five (5) years of residential use and five (5) years of commercial use.

Hostetler Tables and Chairs makes no warranties other than those which are specifically described herein. Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event, any such implied warranty is limited to that required by law.

The only remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be paid by you.

To file a warranty claim please contact your local dealer.
